Important Disclosures

Important Disclosures

This statement is for general information purposes only and is not intended to provide specific advice or recommendations. PFM Asset Management ("PFMAM"), a division of U.S. Bancorp Asset Management, Inc., as administrator for the Oregon State Treasury (Treasury), provides administrative and operational support for the Oregon Local Government Investment Pool (LGIP or pool).

Information about the LGIP can be found in the Information Statement found on Treasury's website at www.oregon.gov/lgip.

Questions About an Account This monthly statement is intended to detail the activity of any accounts held by participants in the pool. Please review the detail pages of this statement carefully. Any inquiries or requests for further information should be directed to PFMAM Client Services at (855) OST-LGIP or (855) 678-5447.

Any disputes/objections to any of transactions in a statement should be addressed, within 60 days of receipt of the statement, to PFM Asset Management, Compliance Department, 213 Market Street, Harrisburg, PA 17101. To protect your rights, if you initially report orally any inaccuracy or discrepancy, you should confirm the report in writing. Participants may also contact Treasury directly at (800) 452-0345.

Portfolio Treasury manages the pool in the same manner it oversees the management of state funds and in accordance with the prudent investor rule (ORS 293.726). The pool is commingled with state funds in the Oregon Short Term Fund (OSTF), which is not managed as a stable net asset value fund. Participants should be aware that preservation of principal is not assured by Treasury, the Oregon Investment Council, or the OSTF Board. Furthermore, account balances are not guaranteed or otherwise protected by Treasury, PFMAM, the FDIC, or any other government agency. Investment in securities involves risks, including the possible loss of the amount invested.

Compliance with Tax Law and Debt Covenants Treasury and PFMAM make no representations as to whether the pool complies with Section 148 of the Internal Revenue Code of 1986. Accordingly, the pool may not be appropriate for the investment of bond proceeds. Bond covenants may also restrict the investment of bond proceeds and may preclude the pool as a permitted investment option. Participants should discuss arbitrage rebate, yield restriction, and other applicable bond provisions with their bond counsel prior to depositing bond proceeds in the pool.

Key Terms and Definitions

Current Yield, for the purpose of the pool, is the average of the annualized variable interest rate set by Treasury over the last seven days. The yields quoted should not be considered a representation of the yield of the fund in the future, since the yield is not fixed.

Dividends represent interest paid on a pool account. Interest is accrued daily on each pool account based on an account's closing balance and a variable interest rate set by Treasury. Interest is paid to accounts on the last business day of the month.

Monthly distribution yield, for the purpose of the pool, represents the net change in the value of one share (normally \$1.00 per share) resulting from all dividends declared during the month by a fund expressed as a percentage of the value of one share at the beginning of the month. This resulting net change is then annualized by multiplying it by 365 and dividing it by the number of calendar days in the month.

Purchases represent all credits to a pool account, including those initiated by an account's owner and its authorized agents, those initiated by another pool participant and its authorized agents, those initiated by approved third-party entities (e.g., state agencies), and those initiated by Treasury and its authorized agents (e.g., dividends).

Redemptions represent all debits from a pool account, including those initiated by an account's owner and its authorized agents, and those initiated by Treasury and its authorized agents (e.g., fees).

IMPORTANT INFORMATION

Finance Charge Calculation Methods and Computation of Average Daily Balance Subject to Finance Charge: The Finance Charge Calculation Method applicable to your account for Cash Advances and Credit Purchases of goods and services that you obtain through the use of your card is specified on the front side of this statement and explained below:

Method A - Average Daily Balance (including current transactions): The Finance Charge on purchases begins on the date the transaction posted to your account. The Finance Charge on Cash Advances begins on the date you obtained the cash advance, or the first day of the billing cycle within which it is posted to your account, whichever is later. There is no grace period.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of your account. To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method E - Average Daily Balance (excluding current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances if Method E is specified as applicable to cash advances) reflected on your monthly statement, you must pay the New Balance shown on your monthly statement on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

The Finance Charges for a billing cycle are computed by applying the Periodic Rate to the "average daily balance" of purchases (and if applicable, cash advances). To get the average daily balance, we take the beginning balance of your account each day and subtract any payments, credits, non-accruing fees, and unpaid finance charges. We do not add in any new purchases or cash advances. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Method G - Average Daily Balance (including current transactions): To avoid incurring an additional Finance Charge on the balance of purchases (and cash advances, if Method G is specified as applicable to cash advances) reflected on your monthly statement and, on any new purchases (and if applicable, cash advances) appearing on your next monthly statement, you must pay the New Balance, shown on your monthly statement, on or before the Payment Due Date. The grace period for the New Balance of purchases extends to the Payment Due Date.

To get the average daily balance, we take the beginning balance of your account each day, add any new purchases or cash advances, and subtract any payments, credits, non-accruing fees, and unpaid finance charges. This gives us the daily balance. Then we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Payment Crediting and Credit Balance: Payments received at the location specified on the front of the statement after the phrase "MAKE CHECK PAYABLE TO" will be credited to the account specified on the payment coupon as of the date of receipt. Payments received at a different location or payments that do not conform to the requirements set forth on or with the periodic statement (e.g. missing payment stub, payment envelope other than as provided with your statement, multiple checks or multiple coupons in the same envelope) may be subject to delay in crediting, but shall be credited within five days of receipt. If there is a credit balance due on your account, you may request in writing, a full refund. Submit your request to the Account Inquiries address on the front of this statement.

By sending your check, you are authorizing the use of the information on your check to make a one-time electronic debit from the account on which the check is drawn. This electronic debit, which may be posted to your account as early as the date your check is received, will be only for the amount of your check. The original check will be destroyed and we will retain the image in our records. If you have questions please call the customer service number on the front of this billing statement.

Closing Date: The closing date is the last day of the billing cycle; all transactions received after the closing date will appear on your next statement.

Annual Fee: If your account has been assessed an annual fee, you may avoid paying this annual fee by sending written notification of termination within 30 days following the mailing date of this bill. Submit your request to the Account Inquiries address on the front of this statement. You may use your card(s) during this 30 day period but immediately thereafter must send your card(s), which you have cut in half, to this same address.

Negative Credit Reports: You are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations.

BILLING RIGHTS SUMMARY

In Case of Errors or Inquiries About Your Bill: If you suspect there is an error on your account or you need information about a transaction on your bill, send your written inquiry to the Account Inquiries address on the front of this statement within 60 days of the date of the statement containing the transaction in question. You may telephone us, however a written request is required to preserve your rights.

- ◆ Your name and account number.
- ◆ The dollar amount of the suspected error.
- ◆ Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your bill that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

Please provide a legal document evidencing your name change, such as a court document.
